

Pennsylvania Taxidermist Association, Inc.
Membership Meeting - September 19, 2015 – Cabelas @ Hamburg, PA

Bob Hutchinson opened the meeting asking if the members had any questions.

- Bob Hutchinson discussed with the members that going forward we would not be having a general membership meeting at the Cabelas mini show. The BOD meeting was costing the association a minimum of \$2000. The fall BOD meeting will be held at a location mid state with no reimbursement for rooms.
- Bob Hutchinson discussed that there will be a few new raffles at the state convention replacing the pretzels and nachos that used to be provided in the vendor area. Each member that is registered for the state convention will receive a chance to win prize money to be used in the vendor area and have option to purchase additional chances. Bob Hutchinson also discussed that the association is going to obtain a small games of chance license to have a few additional raffles that will be open to the public.

11-4-15: Jessica Simmons motioned to approve the minutes – 2nd by Joe Simmons – Motion Accepted – 9 YES, 2 ABSENT
